Lending Options via Partnership

Achev (1):

Futuretek Academy has financial options via Achev, where Achev may be able to pay for your Bootcamp (4-week class). For information about Achev's services and ability to pay for your class, please visit <https://achev.ca/service/accelerating-career-advancement/>.

Achev (2):

Futuretek Academy currently has access to financial support via Achev for qualifying participants in the Ontario, Canada region. For information on Achev and their eligibility criteria, please visit <https://achev.ca/service/accelerating-career-advancement/>.

We are always looking into more lending programs, so if you do not see one that currently services your region, check back later or call in at (866)-224-2030 for more resources.

NOTE: Payments and applications to Achev will be handled after your application to Futuretek Academy has been approved.

Government Support

Futuretek Academy also has some government contracts where depending on your status (in the country), you may be eligible for lowered class prices, or, in certain cases, free classes.

VPI Inc:

Futuretek Academy is happy to announce a partnership with VPI Inc wherein qualifying applicants can have part of their class (4-week Bootcamp AND/OR 12-week Course) fees paid by VPI Inc.
